## School Improvement Plan

Welcome to the Nest! AHS will continue to focus on wrapping around "Every Eagle" through academics, athletics, extracurricular and character supports. We value the diversity each student brings to our community and strive to make AHS a home for all students. With this in mind, our School Improvement Plan continues to be focused on four primary goals: 1) 9th Grade Success Rates - Every freshman on time for graduation heading into 2024-25. 2) Campus Culture and Building a Safe and Caring Environment where we focus on supporting daily a positive campus culture and a safe and caring learning environment as shown through student civility and respect to self and others; and clear sense of belonging. We use Equity as our lens via Character Strong, Every Eagle, and our tenets of Be Involved, Work Hard, Be Kind, 3) Closing the achievement gaps for students with disabilities and other areas of need, 4) Our districtwide goal of implementing Universal Design for Learning in every classroom continues to be a focus as we work toward removing barriers to success for all students. To best accomplish our building goals, we will engage our students and community stakeholders, align our resources and utilize research-based practices to ensure Every Eagle finds their connection to AHS while advancing toward on-time graduation.
