2021-2022 School Profile

School

Arlington High School serves over 1700 students in grades 9 through 12. We are a Character Strong campus where we challenge our students to be involved, to work hard and to be kind every day! The "new" Arlington High School dedicated on August 30, 2003, replaced the former 1936 structure. The site consists of 243,000 square feet with 70 classrooms, 8 science labs, 2 shops, 2 art rooms, 1 band room, 1 choir room, 4 business computer labs, and a sports medicine classroom/lab. All classrooms have internet access. The school has a separate agriculture building, a commons, a main gym, and an auxiliary gym. Additionally, our outside recreational area includes four baseball and softball fields, 8 tennis courts, and a state-of-the-art all-purpose covered stadium. The Linda M. Byrnes Performing Arts Center was dedicated in 2007. For 2021-22, voters approved a Capital Improvement project that will add 8 additional classrooms, improve safety and security, and will redesign our administrative area to include a secure vestibule at our main entrance.

Community

Arlington High School is part of Arlington School District No. 16. ASD is a public school district in Snohomish County that serves the city of Arlington. In addition to AHS, there is one alternative high school, one cooperative homeschool, two middle schools, and four elementary schools. Arlington has a population of 22,041 and is located 15 miles north of Everett and 42 miles north of Seattle. Arlington is a rural community with light industrial and manufacturing businesses located in central portions of the city. Many residents who enjoy the small town atmosphere of Arlington commute to professional positions in nearby larger cities like Everett and Seattle.

Mission Statement

"Inspiring all students to be responsible, productive citizens who embrace lifelong learning."

Earning College Credits in the High School

Advanced Placement (AP) and Honors courses are offered in Calculus, Statistics, Chemistry, Environmental Science, English Language, English Literature, Government, European History, US History, Human Geography, Computer Science Principles, and German IV. Students interested in pursuing AP courses should have excellent study habits and are generally required to provide the following: (1) a portfolio of related course work that demonstrates a high level of academic achievement; (2) successful completion of appropriate prerequisites; (3) have prior approval from the Instructor. Additionally, honors courses are offered in English 9, 10, and 11, Advanced Geometry, Advanced Algebra II as well as in our Jazz Choir, Jazz Band, and Wind Ensemble options.

College in the High School courses are offered in English Composition, Intro to Literature, Precalculus I & II, Calculus I, Intro to Chemistry, Intro to Geological Science, General Physics I & II, Global Studies, American Government, US History I, II, & III, Western Civilization to 1648, Western Civilization 1648-Present, Student News Media, French II, III, & IV, German II, III, & IV, and Spanish II, III, & IV. Additional college in the high school options include Criminal Justice and Education Careers with our Sno-Isle Skills Center Partner located in the Mukilteo School District. In order to receive college credit, students must enroll in this program through Everett Community College with instructions from the teacher during the semester the course is taught.

CTE – Dual Credit: The Dual Credit program enables qualified students to earn both high school credit and college credit in the following courses: Accounting 1 & 2, Business Math, Microsoft Office, Engineering 1, Career Choices, Anatomy & Physiology, Sports Medicine, and Manufacturing. Arlington High School has a partnership with Everett Community College designed to create programs that help high school students make the most of their high school learning opportunities. There are no costs involved with these courses.

Grading and Ranking

Arlington High School assigns letter grades using a 4.0 system. Class rank and grade point average are calculated at the end of each semester in January and June. Grades for AP classes are not weighted. NC (Noncredit) and P (Passing) grades are excluded from the calculation of GPA.
