

Being Followed

Potential Problems of Being Followed

- ❖ *Vehicles following you too closely*
- ❖ *Vehicles approaching from the rear too fast while you are slowing down*
- ❖ *Vehicles not stopping when you stop for a changing front space area conditions such as a traffic light changing to red.*

Mirror Checks When:

- 🚗 *You see a change in your front space area*
- 🚗 *Immediately after reducing your speed*
- 🚗 *Before and after moving your vehicle to either side*

Foot & Eyes

 *When your foot goes to the brake, your eyes should go to the rearview mirror*

Solutions for vehicles following too close

- ❏ *Change lanes*
- ❏ *If you are under the speed limit, speed up*
- ❏ *Increase front space cushion*
- ❏ *If five or more cars are following you, pull over*
- ❏ *Flash tail lights (Brake or Hazard lights)*
