## Background

Coach Marsh is entering his 7th year as the Head girls basketball coach at AHS. The Eagles made it to the District playoffs for the 6th straight season and are looking forward to continued success in the years to come. Helping to build future Eagles in our camp is one of our favorite ways to do that! Coach Marsh, his assistant coaches and AHS players will serve as coaches, instructors, and mentors over the duration of the camp.

## Points of Emphasis

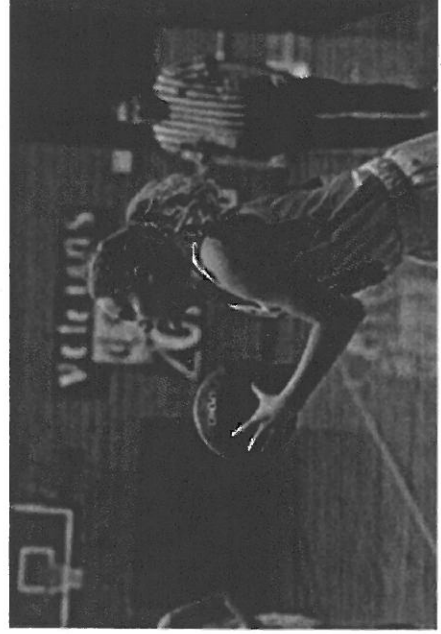

Team play	Ball handling
Shooting	Hard Work
Defense	Fun!

## Camp Includes

- Official Arlington Eagles camp basketball/T-shirt
- Individual instruction from high school players & coaches
- Awards and prizes!

## Philosophy

Our camp is designed to provide instruction in basic basketball skill development and to teach kids how to compete, while focusing on fair play and sportsmanship in a great atmosphere. We believe that these basics, and a positive attitude, are keys to providing a solid foundation for successful players in the future. AGBB hoops camp is a great way to introduce campers to our staff, players, and the program as a whole. We are excited to invite all young basketball players interested in improving their skills and having fun. Our camp is a great opportunity for girls to learn this great game in a fun environment!
